Your stuff misses YOU too.

The lost and found table is overflowing with items.

Please claim them by **Thursday, June 6th** or they will be donated to Charity. Thank you!

ATTENDANCE MATTERS

What to do if your child is going to miss school for ANY reason

- **Contact the Attendance Office** and their Teacher(s)
- Please have your notification to the office by 8:55am
- State how long they will be out for. Please include specific dates and times.
- The reason they are missing school.
(Vacation, illness, injury, surgery, **leaving early for or will be late** from an appointment)

HOW TO REPORT ATTENDANCE MATTERS...

- Call 262-538-2227
- Email: priattendance@merton.k12.wi.us
- Handwritten letter to the teacher and office
- Fax medical excuses to 262-538-3937

ATTENDANCE POLICY: State law requires all students to attend school each day school is in session unless the child is excused by a parent/guardian. Per this law, parents/guardians may excuse their child for **up to ten days per school year**. Families can expect communication from the Merton Primary Office when their child is absent for 5, 8 and 10 days. This communication is meant to ensure that school and family are working together to provide the best educational experience for students. Please see the [student handbook](#) for more details.

2023-2024 MAA SPORTS PROGRAMS

What is MAA?

The Merton Athletic Association is a volunteer-based 501c3 non-profit organization whose purpose is to offer athletic activities for over 700 families that reside in Merton and the surrounding communities and schools. Our goal is to introduce and expand knowledge of sports and to develop appropriate-level skills and sportsmanship in a safe and fun environment.

Through athletics a child can develop focus, learn discipline, build determination, and understand the 'team' concept. A child with strong self-esteem is a child on track to success.

CLASSES OFFERED IN MILWAUKEE and ON CAMPUS

Program for 4-Year-Olds and Entering Kindergartners

In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and get excited about books and reading.

Program for Entering 1st Graders

In this fun summer program, your child will learn to read independently. Children learn phonics and sight words and build comprehension skills. Your child will develop a love of books and reading and get off to a great start in first grade.

Program for Entering 2nd Graders

In this fun summer program, your child will become a confident, fluent reader. Children build solid phonics skills, develop reading fluency, and improve comprehension. Your child will develop a love of reading and get off to a great start in second grade.

Program for Entering 3rd Graders

In this fun summer program, your child will become a strong, confident reader. Children improve fluency and comprehension, build long-word decoding skills, and expand vocabulary. Your child will develop a love of reading and get off to a great start in third grade.

Programs for Entering 4th and 5th Graders

In these fun single-grade programs, your child will become a skilled, confident reader with strong comprehension in fiction, nonfiction, and textbooks. Students expand their vocabulary and learn to read more fluently and rapidly. As a result, your child will complete homework more quickly and easily, get better grades, and enjoy reading more.

Programs for Entering 6th, 7th, and 8th Graders

In these single-grade programs, your son or daughter will make substantial gains in comprehension and reading speed in fiction, nonfiction, and textbooks. Students expand vocabulary and learn the best way to take notes. As a result, your child will complete homework more quickly and easily, get better grades, and build confidence as a reader.

Programs for Entering 9th and 10th Graders

In these single-grade programs, students learn the skills they need to succeed in high school. Your child will double reading speed and improve comprehension and focus in fiction, textbooks, and nonfiction. Students expand their academic vocabulary and learn study strategies to complete work efficiently, get better grades, and score higher on exams.

Programs for Entering 11th, 12th, and College Freshman

Students learn college-prep skills that help them complete work efficiently and earn better grades and test scores. They double reading speed and improve comprehension, focus, and recall.

Teachers

Programs are offered by the University of Wisconsin-Milwaukee School of Continuing Education. Programs are taught by instructors from the Institute of Reading Development.

"I would like to thank you for such a positive outcome with my son James. He learned skills that have translated into wonderful grades, and more importantly, have given him more confidence in his reading abilities. He has actually asked to go to the library to pick out a book!" — Parent of 4th grader

Class Schedule

All programs meet once each week. Tuition varies by grade level. Please ask about our family discount.

Programs meet in **Milwaukee (west) (MW)** at Mount Mary University, 2900 North Menomonee River Parkway, and in **Milwaukee (OC)** on campus at the University of Wisconsin-Milwaukee.
